Form 990, Part III, Line 4a, Program Service Accomplishments:

Agros expanded an accelerated agri-business plan that integrates
working capital, technical training, and commercialization support to
farming families. Farmer participation in this plan grew from 55% in
the previous year to 91% in this past year. Acres under agri-business
cultivation grew from 185 acres in September 2016 to 305 acres in
September 2017--a 65% increase in participation in one year's time.

The average Central American small-holder farmer produces 1.8

harvest per year. Agros farmers are realizing 2.4 harvests per year

and are on their way to producing 3.5 harvest per year next year. The

transition from subsistence to economically sustainable producer occurs

at around 3 harvests per year.

Form 990, Part VI, Section B, line 11b:

A draft Form 990 is reviewed by executive and financial staff and circulated to the executive committee of the board (comprised of all officers plus committee chairs) for review and comments before being finalized. A copy was provided to the full board prior to filing.

The compensation for the Executive Director/President position is set by the board of directors, all of whom are independent, using data on compensation rates for comparable positions, the advice of professionals in the field, and with consideration for budget constraints and equity among positions within the organization. The position of Executive Vice President was added in FY17, as an officer of the corporation.

Compensation is approved by the President. There are no other paid officers, and there are no other employees who meet the definition of key employees.
