Agros fully supports the right to privacy of individuals requesting assistance from and/or utilizing any services of the agency, and people contributing time and/or money to Agros. Strictest confidentiality will be maintained at all times pertaining to any information related to Agros volunteers, donors, service providers or customers of the agency of any kind. All employees of Agros agree not to discuss the name or any other characteristics by which a volunteer, donor or service provider could be identified. Visitor logs are used on this site for statistical purposes only. No attempt will be made to identify or collect personal information about users. Agros may automatically receive and record information on our server logs from your browser, which may include your IP address, session time, click path analysis and the pages you request. Agros will only use this type data in an aggregate form which does not identify you personally.

Agros strives to keep donors informed about how donations are used and their importance for continuing our programs. We send several mailings a year to accomplish this and include a donation coupon to invite financial support. Most Agros supporters want to receive all of our mailings and newsletters. However, you may opt out of any and all mailings by contacting us with your request.
